- a. **COVID 19 Updates – discussion was held on mandatory masking an when a school is considered an outbreak or just classrooms shut down. It generally depends on contact tracing and how wide spread contact is as well as number of cases in a certain grade/cohort.**

**9. Adjournment – 7:20pm**

## SCS SCC Chairperson's Report Nov 2020

I would like to start out by saying thank you to the other members of the council and the staff reps that have been part of the council. Your hard work and dedication is appreciated by the entire education community.

It has been a year like no other... to say the least. March of 2020 sent us into a tail spin but proved what a strong resilient staff, dedicated students and supportive parents we have at SCS.

Highlights for the year:

- All classrooms and students returned with bright smiles (under masks) and gratefulness to be together again. Cohorts were formed within classroom and small groups within our school to maintain as much social distancing and limit contact among students.
- All breakfast, lunch and servery/food programs are no longer in service.
- Our annual pancake breakfast during Education Week was cancelled.
- Mrs. Mills and Mrs. Boen received the SeaStar Awards for 2020 for their dedicated effort in keep our schools clean and germ free amidst the constant changes in cleaning products and procedures.
- At this point in time, we continue status quo even with rising cases in our province. It is now mandatory for ALL staff, students and visitors in building to wear masks at all times including the gym.

My report is short this year. Thank you for all your support over the last two years as this is my last term as chairperson.
